REBEKKA MALOPE-NGIYEKLENI is a leader of the Women of Zimbabwe Arise Movement, a local chapter of Zimbabwe's Arise Movement Movement and member of the Conference of Heads of African Women's Movement. She has been involved in various struggles, and is a prominent figure in the mass movement for social justice in Zimbabwe. Rebecca holds a Bachelor of Arts in Political Science and Public Administration. **LOW DOWN ON (1) LIVING FASTER (2) EAT LIKE A LOCAL (3) AND SAVE MONEY** Watch all our latest videos on our Google Plus page: Watch our latest videos on our YouTube channel: Follow us on Facebook! ► Follow us on Instagram! ► Follow us on Twitter! ► Women in Zimbabwe take the lead against violence There's little sign that violence against women in Zimbabwe is abating. And of all the women making a difference in their fight against gender... There's little sign that violence against women in Zimbabwe is abating. And of all the women making a difference in their fight against gender-based violence, we find there's a first-time politician advocating for the rights of women in her country. The latest video from our Women in the World week looks at a grassroots movement of women in Zimbabwe taking the lead in the campaign against gender-based violence. Subscribe to our channel!
